SCARLET "S"

PUBLISHED BY
SENIOR CLASS
AND STAFF OF

Shelby High School
Shelby, Ohio

By bus, by bike, by "Buick", by boat (by boat via Blackfork), by boot, Shelby Rocketteers approach the Research Center to pursue their studies in realms of higher learning.

High-Lites . . .

THE SENIOR ROCKETTEERS meet to hear the challenge to living—the Annual Commencement in Central Gymnasium, the converging point for scientists, nurses, engineers, and teachers.

. . . Nite-Lites

Perhaps Captain Midnight and his secret squadron never visited Shelby—but to Shelby Squadrons this is the center of activities, research, meetings (at night), athletic events. This is a "telescopic" view of Shelby High taken from the moon.

DEDICATION . . .

Mr. Robert Lafferty

For our dedication it is quite natural and fitting for us, the SCARLET S Staff, to choose a man well-known and well-liked by the Senior class. Bob Lafferty, with his sparkling humor and ready wit, has made algebra a lively subject for scores of freshmen and juniors. His proficiency as a sportswriter is admired by both Shelby's fans and players. As senior class advisor, he lends the executive committee and senior stand timely and valuable advice. Being transportation director, it is upon his word that Shelby students cheer or groan on wintry mornings. Such a combination of versatility and pleasant character is a rare find in anyone's yearbook.

In Memory of:

Miss Leah Summer

The Staff of the SCARLET S wishes to take this opportunity to honor the memory of one of the veterans of the teaching staff in the Shelby schools. Miss Leah Summer, a first grade instructor at Auburn Elementary School, passed away at the local hospital on Wednesday, January 16, 1957. She was stricken while in her 47th year of teaching first graders. This is an unusual record in itself. But greater still is the memory that many of us have of her. Her gentle manner, her pleasant smile, her intelligent understanding of our many problems as six-year-olds will always be remembered and appreciated.

Miss Summer received her training for teaching at the College of Wooster and Kent State University. She was first employed as a teacher by The Shelby Board of Education on July 14, 1910. Her sister, Miss Dora Summer, is an instructor of Latin at Shelby High School.

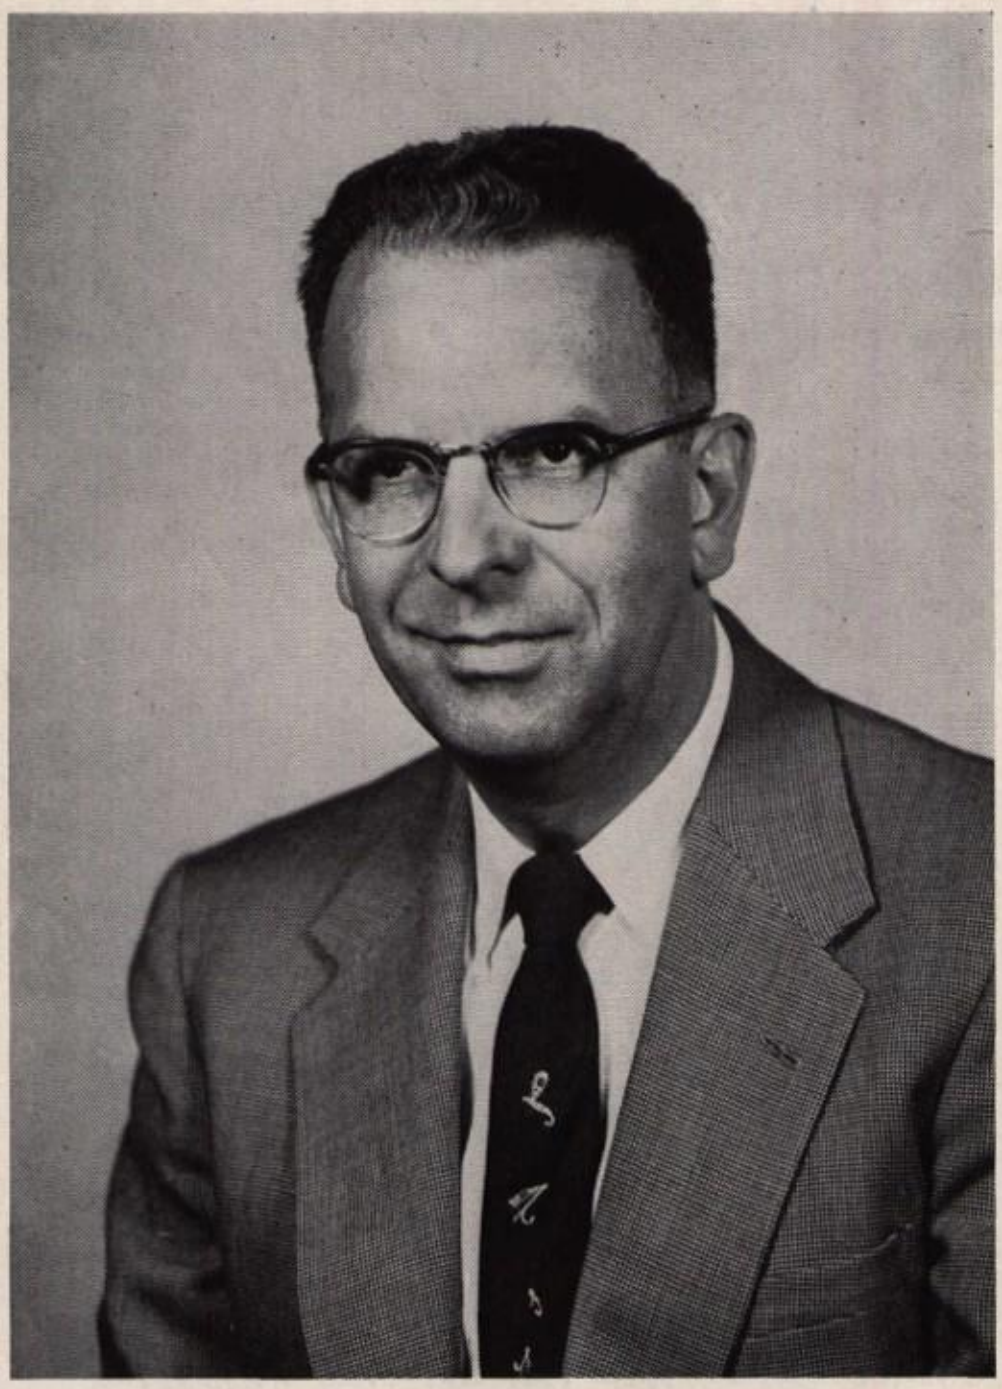
Superintendent of Shelby Schools

Providing Shelby's hundreds of students with modern buildings, adequate playgrounds and athletic facilities, well-trained teachers, and a wide curriculum is no easy job for our superintendent of schools. It requires a superior knowledge and foresight of the needs of our students both now and in the future. We "Rocketteers" have but one man to thank for our modern and smooth-running school system—the very capable Byron H. Carmean.

Mrs. Jayne Innis,
Secretary for the Superintendent of Schools and the Clerk-Treasurer of The Board of Education.

Mr. Byron H. Carmean,
A. B., M. A.

High School Principal



MR. J. E. McCOLLOUGH, A. B., M. A.

At times Mr. McCollough must think that we are like "rockets" and even "jet" operated. This happens when he sees us running around the halls, attending many meetings and clubs, making much noise, and going everywhere in a hurry. However by his patience and understanding he has learned to see us as young people who are having a good time and who are endeavoring to learn something in this school of life.

By his patience and understanding he has endeared himself to the students of Shelby High.

Senior Class Executive Committee

Left to right: William Lowery, Beverly Coleman, David Tullis, Peggy Close, David Hull, Larry Siegfried, Francis May, Irving Gearhart, Jerry McGuire, James Biddle, and John Seltzer. Mr. Lafferty, advisor, is standing in the background.

The members of the Executive Committee who are elected from the Senior homerooms and the elected class officers plan the various activities of the class for the year in addition to executing the administrative functions of the class. They met regularly throughout the year and planned for the class dances, parties, baccalaureate and commencement functions. Mr. Robert Lafferty served as advisor for the group.

At each home football game the Seniors operated the food stand; during the noon hours in the school year and at each home basketball game they sold candy and gum to students and visitors. Miss Ruth Stroup, senior homeroom instructor, was in charge of the candy and gum sales.

The Whippet Whoppers

Take him away, boys.

Aba! Aba!

Blasting off!

Friends—old and new—gather at Christmas time at Central Gymnasium to attend the tenth annual SNOWBALL. The Hi-Y and Tri-Hi-Y sponsored the dance this year as a joint project.

Frosty the Snowman occupied a prominent position as part of the elaborate decorations for the SNOWBALL held on Saturday night, December 22, 1956.

Student Council

The Student Council, composed of a representative from each homeroom and the Junior and Senior class officers, is the only organization which entirely represents the whole school. As caretaker of the more important school affairs, the Student Council is busy the entire year. It plans the homecoming activities, sponsors the auditorium and Recognition Day programs, conducts the school elections, and sends flowers at the time of bereavement.

During football season, the council members obtain advertisements for and sell football programs. The profits are used to finance the Council's activities throughout the year.

The officers elected to serve this year were: Judy Roush, president; Bob Shedenhelm, vice-president; Barbara Hageman, secretary; Nancy Cooke, treasurer. The Student Council and its advisor, Mrs. Yetzer, are to be commended for a job well done.

Boys', Girls' State and Operation Youth

First Row, left to right: Judy Roush, Larry Baker, Terry Adams, James Biddle, John Seltzer, Anne Giller.
Second Row: Francis May, Gerry Coffey, Larry Siegfried, Don Yetzer.

This year Anne Giller and Judy Roush attended Buckeye Girls' State at Capitol University. The girls formed a mock government consisting of fourteen cities. Anne was the leader of the Federalist party and Judy was elected to the office of Common Pleas judge.

Six Shelby High School boys were chosen by the faculty to attend Buckeye Boys' State at Camp Perry. Each boy held an office: Larry Baker, lawyer and a member of the House of Representatives; John Seltzer, city councilman; Larry Siegfried, Civil Service commissioner; James Biddle, clerk of city council; Don Yetzer, county recorder; Francis May, president of the city council. During the week, guest speakers included former Governor Frank Lausche and Dr. M. Dooley, who had just returned from Indo-China.

Jerry Coffey and Terry Adams were chosen to represent Shelby at Operation Youth at Xavier University. Included in the program were a bus tour of Cincinnati and tours of the Terrace Plaza Hotel, The Baldwin Piano Company, The Kroger Company, and The Formica plant.

Hi-Y

Now in its third year as a club in Shelby, the Hi-Y group has become another part of the school system.

The purpose of the club, as set down years ago, is to create, maintain, and extend, throughout the home, school, and community, high standards of Christian character.

All boys in the club enjoy taking an active part in business meetings, group discussions, tours through local factories, and listening to speakers.

During the year, the club sponsored dances after the home football games, a pecan sale, busses to the Marion tournament games, and together with the Tri-Hi-Y, took over the job of putting on the SNOW-BALL.

Advising the club were James Shepherd and Harry ter Braak, Secretary of the Y.M.C.A.

This organization, with a membership of sixty-nine, is composed of sophomore, junior, and senior girls. Miss Phyllis Blackford and Miss Esther Smith serve as advisors for the club.

In only the second year of its existence, this group has been engaged in many activities: selling toffee and mints; sponsoring, in co-operation with the Hi-Y, the Snowball; attending various district and regional conferences; caroling during the holiday season; and carrying out a project for World Service.

Each year, during the month of August, the officers for the coming year are sent to Camp Nelson Dodd, an area Y.M.C.A. camp. Officers for this year were: President, Carol Doty; Vice-President, Carolyn Walp; Secretary, Barbara Hageman; Treasurer, Judy Keller; Chaplain, Ann Sisinger; Parliamentarian, Nancy McLaughlin.

President..... Bill Lowery

Treasurer..... Sonia Harrer

Spring activities of the group included trips to college campuses to visit the science laboratories and to attend science club conferences.

Many of the members are budding scientists, nurses, doctors, and technicians. By learning basic skills of the scientist, these individuals developed interests and knowledge of this one important area of science.

Eight issues of the WHIPPET TALES, our school newspaper, are published every year. It began four years ago, in April, 1954, as an extra-curricular project of Miss Bowman's world history classes. When school started in 1955, a staff composed of students from each class was chosen and the publication was continued. The first issues were mimeographed; now they are printed by The Shelby Printing Service. WHIPPET TALES is a member of the National Scholastic Press Association and Quill and Scroll, a national literary honor society.

Much work is done on each issue. First the issue is planned by the editors and Miss Bowman. Story assignments are given and the stories are written and rewritten. The articles are corrected and then typed by the typists who are advised by Miss Shisler. The pages are laid-out and headlines are selected. A "dummy copy" is printed. The editors proof-read it. It is printed and given to the distribution staff. Approximately 600 issues are sold each month.

All members participated in the chapter's farming program which consisted of six acres of corn, six acres of soybeans, and six acres of hay.

Future Homemakers of America

Starting the year with its annual community service, the club offered free baby sitting service for homemakers on election day. The girls made popcorn balls and Christmas corsages which were sold in the school. They also sold bottles of vanilla and butter flavoring. This year for the first time the club sponsored a community work day. Each girl in the club had either a job at home or elsewhere and gave the money earned for two hours of that day to the club. Another project to earn money was their annual bake sale in March.

On February 16, the FHA and FFA co-sponsored the Valentine dance, "Royal Hearts Ball". The reigning court was: Queen, Donna Marshall; King, John Wagoner; and attendants, Charlene Johnson, Barbara Hoppes, Carl Winely, David Grove.

One of the first social events of the year was the fall county FHA rally at Bellville. The spring county FHA rally was held here at the high school. Approximately 500 girls from 9 Richland county schools came to share a dinner and a business meeting. The entertainment was in charge of Sally's Dance Studio.

No football game would be complete without the half-time performance of the Shelby Whippet Marching Band. At each game the one hundred-four high-stepping Whippets entertain young and old alike with a fast-moving drill ending with the now famous straight line, a snappy dance performed by all the members, a colorful blacklight scene featuring the dancing majorettes, and the formation of a huge letter "S". Although each performance lasts only twelve minutes, many long, hard hours are

spent in rehearsal. However, to each of the band members, the personal satisfaction of a job well done is worth the tired and aching muscles.

This year the band's biggest dream came true—new uniforms. Clad in snappy red and gray Cadet style uniforms and sparkling red shakos topped with fluffy white plumes, the band looked better than ever.

Concert season immediately after football season, and the musically inclined Whippets must throw themselves whole-heartedly into the preparation of music for contests, concerts, and other performances. The band as a whole makes over forty public appearances a year, climaxing the season with the Annual Spring Concert.

Under the excellent guidance of Mr. Dwight Somerville, Mr. Carl Whitacre, and Mr. Paul Braden the members of the band work together as "one big happy family" to make our band the "best in the land."

Throughout the past years Shelby High School has been noted for its very excellent Senior Choir. This year was no exception. Under the very capable direction of Mr. Paul Braden the choir gave many outstanding performances.

This year, for the first time, the choir sang at the grade schools before appearing before the general public at the Christmas concert, December 16. After Christmas vacation, the choir began to prepare for the district contest, March 23.

In April, Shelby was host to Willard, Norwalk, and Bucyrus for one of the Northern Ohio League Choir Festivals. The League's eight schools were divided into two groups, having four schools in each group participating together.

May 5, the choir presented the spring concert and, for its final performance, sang at the Baccalaureate service, thus ending a very successful year.

The choir also entered the state-wide contest and journeyed to Newark, Ohio, to take part in the district contest.

Senior class members of the choir will be seated with the choir at the Baccalaureate Service and will join in the processional and recessional.

Girls' Glee Club

During the school year, these one hundred eighteen freshman, sophomore, and junior girls presented a Thanksgiving program over the pubic address system, attended the district contest, and appeared in the Christmas and spring concerts.

Because of the large number of girls in the glee club this year, it was decided to divide this group into three parts, instead of the usual two.

"Curtain Going Up," presented March 8 and 9 last year (1956) was one of the most unique plays ever presented at Shelby High School. Part of the action of this play-within-a-play actually took part in the audience. The hardest parts to portray were those which had to be played, during a part of a scene, from the audience, the actor having to be completely ignorant of any persons around him.

Room For One More

The first play of the school year, sponsored by the Junior class and under the direction of Mr. Charles Funk, was ROOM FOR ONE MORE, a comedy.

This is the story of the Rose family and their amazing ability for always having "room for one more". Mrs. Rose (Anne Giller), especially, is a great influence on her children and has the task of keeping the family together after her husband's death.

Others in the cast were: Mr. Rose (Poppy), Mike Milliron; Joey, Jerry McGuire; Trot Rose, Sue Nothacker; Teensie Rose, Daneen Guthrie; Janie, Mary Lou Post; Betty, Susan King; Miss Winston, Dixie Caskey; Jimmy John, Bob Fath; Mrs. Biddle, Melinda Shaw; George Biddle, Bill Lowery; Rescued Woman, Mary Lynne Milliron.

On February 23, the members of the club had an opportunity to attend the play, "Born Yesterday" at Otterbein College. Those attending met the cast and director and had a chance to observe the features of back stage. Later in the spring, the club planned to attend a play either in Columbus or Cleveland. A formal initiation was also held in the spring.

Athletics . . .

Above you see the latest addition to Shelby's sports picture. Our Pep Club, which has rocketed to an amazing start, helps support the teams on their climb to N O L championships. It would be difficult to find a community which supports its high school's activities more than Shelby and the pep club encourages this.

The Whippet Basketball Team made basketball history at Shelby and in the State of Ohio this year by achieving the best record in this sport that has ever been made by a Shelby team. Not to be satisfied with the Northern Ohio League Championship again this year, the team moved into the tournament at Marion and defeated Upper Sandusky, Mansfield Madison, Sandusky, and that arch rival of many years—the Mansfield Tygers. By so doing the team became Sectional and District Champions. No Shelby squad had ever gained such a high position in state basketball glory. They entered the Toledo Regional Tournament as one of the "Sweet Sixteen" teams in the state. Last year the Whippet team was the sectional champion and runner-up in the district tourney. The Whippet team defeated another Greater Ohio League Team in the first night of the Regional Tourney (Mansfield was the first GOL team to be defeated by Shelby this year and Lima Central was the second). In the second night of tourney play at Toledo the Whippets met a powerful Toledo Macomber team, and the Whippet Tourney Special came to an abrupt end to the tune of 56 to 41.

Early in the basketball season this year's team was marked as the team to watch. For many weeks the Whippets received high ratings by INS and AP in the weekly basketball team ratings of the state. The highest rating given the team was 6th in the state.

Larry Siegfried, Shelby's ALL-OHIO player, led the team in individual scoring and broke all existing Shelby individual records. Other members of the team played outstanding ball and showed unusual skill and talent in handling the ball. These players were Baker, Brown, Seltzer, Bonecutter, Hepner, Tullis, May, Shedenhelm, Damron, and Trout.

Reserve Basketball

Left to right: Coach Copeland, Bert Patterson, Wally Ewalt, Don Clady, Larry St. John, Gary Giller, Lennie Reidel, Wayne Ingram, Jim Ramey, Byron Wagoner, Glen Wentz (manager).

The Shelby fans had a double treat each Tuesday and Friday nights during basketball season this year. Coach Copeland's reserve team soared through the season, admitting defeat only twice. They completely out-classed their opponents in most of the contests and provided the fans with thrilling action. After their performances this year, several of these boys may prove valuable to Coach Williams and the varsity team.

Cheerleaders

Left to right: LaDonna Welch, Sandi Perry, Brenda Stock, Judy McClurg, Bonnie Siegfried.

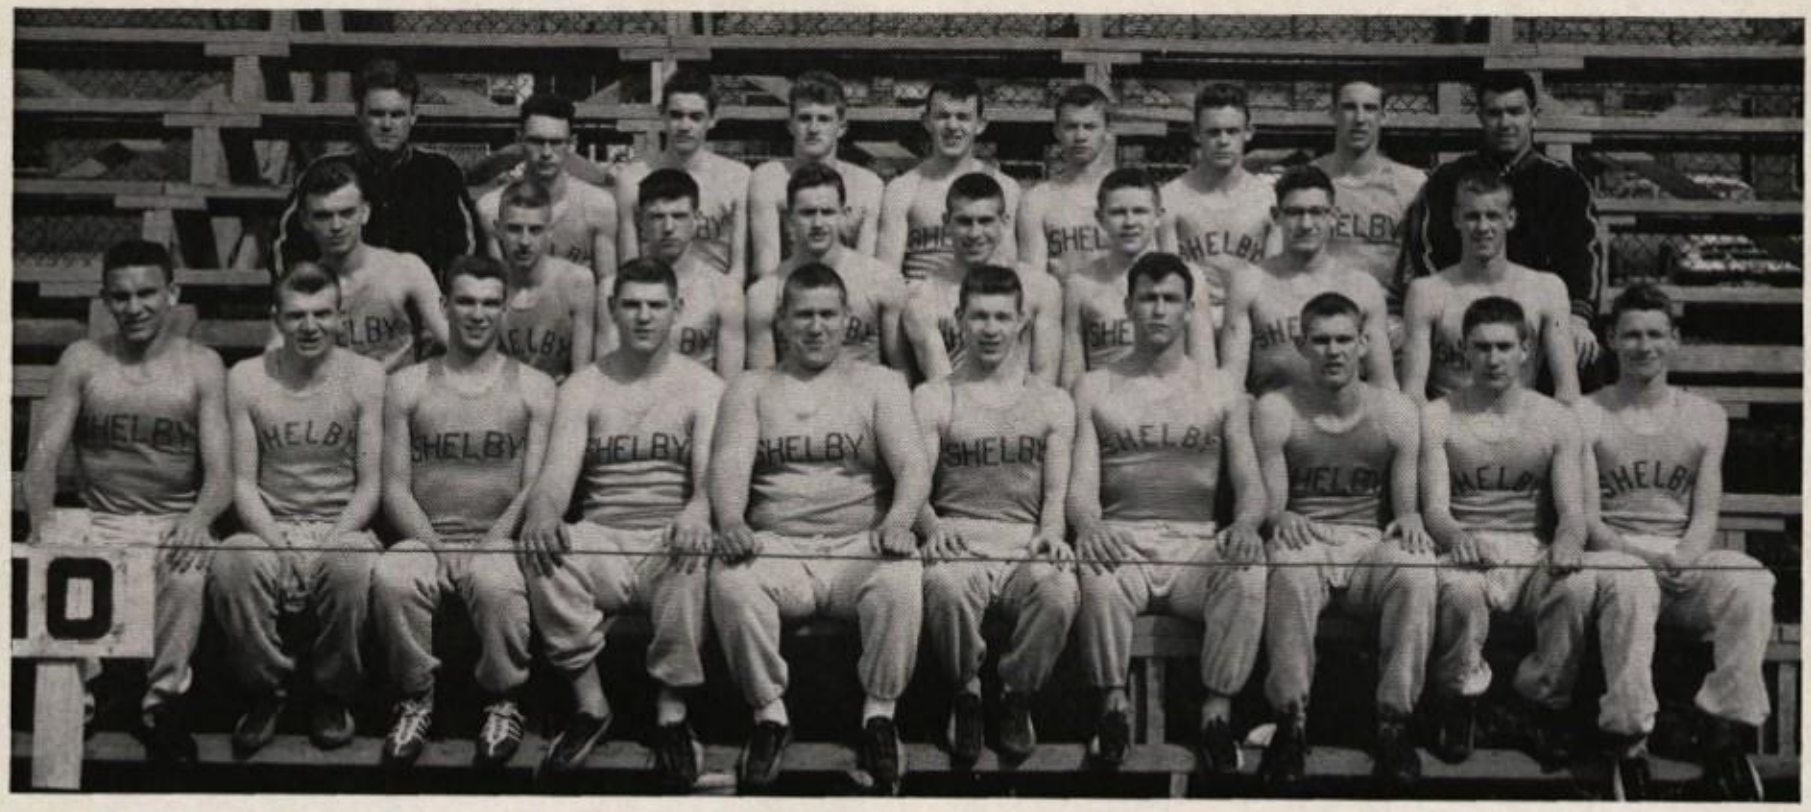
Leading the cheers for the varsity teams during football and basketball seasons this year were the five girls pictured above.

With their advisor, Miss Bowman, the cheerleaders directed the Pep Club and its activities. The cheering of the Pep Club added much to the enthusiasm of the spectators. New songs and cheers were introduced by this group and some of its members also participated in the pep meetings.

The Reserve cheerleaders, varsity cheerleaders in miniature, were this year perhaps the peppiest our school has had. These girls also devised new cheers and led the pep section during reserve games.

Left to right: Jeanne Williams, Daneen Guthrie, Miss Bowman (advisor), Nola Troxell, Gloria Sharkey, Cathy Smith.

Track Team



First Row: Joe Bonecutter, Bob Donley, Tom Arntz, Tom Utz, Tom Nothacker, Bill Henson, Don Thurman, Kenneth Phelps, John Wagoner, Bill Zehner.

Third Row: Coach Copeland, Jim Fromm, John Broderick, David Tullis, John Seltzer, Bob Shedenhelm, Paul Beck, Larry Siegfried, Coach Varble.

The track squad helped increase the number of honors that athletic teams brought to Shelby High School last year.

Shelby outclassed Willard, Madison, Galion, Bucyrus, and Tiffin Columbian and scored 392½ points to 197½ for its opponents.

The team went to the Wooster Night Invitational Relays and brought home another victory. Included in this meet were Shelby, 78 points; Ashland, 61; Wooster, 58; Cuyahoga Falls, 51; and Mansfield Madison, 48.

In the League meet, the final contest of the season, Shelby was again victorious and scored 52½ points. Other scoring was as follows: Bucyrus, 40; Galion, 32; Bellevue, 28½; Upper Sandusky, 28; Willard, 15; Tiffin Columbian, 11; Norwalk, 3.

Coach Chuck Williams and his baseball team posted a fine record for the 1956 season. The boys took the N. O. L. league championship for the second straight year without a defeat. Tom Laser and Larry Siegfried sparked the squad by pitching the team to 7 victories, dropping only 2 of the contests. Top batters were Jim Schiffer, .349; Ken Sieb, .347; Lowell Jarrell, .333. Golf

The Whippet golf team turned in a fine record. Although the team was young with the exception of veteran Larry Simpson, it added up 11 victories against 3 defeats and 1 tie. Four wins were shutouts. The team also finished 4th in district play. Larry Simpson, captain, was the only graduating member of the team. Returning lettermen are Lehman, Ingram, Wilcox, and Yetzer.

LARRY SIEGFRIED
All-Ohio Basketball Star

1956-1957 Athletic Award

Although all of Shelby's athletic teams had highly successful seasons and each produced outstanding athletes, none will remain in the minds of Shelby fans as the name of Larry Siegfried. He has been named as the most outstanding basketball player that Shelby produced. During this season he averaged 36.6 points per game; thus making him the highest individual scorer in the State of Ohio. He also scored the most points in a single game when he made 60 points in the Galion-Shelby game on the home floor. Larry captained the basketball team to the highest position that any Shelby team has yet achieved. He boosted the Whippets' rating in the state in the INS and AP polls to the 7th place in the state.

Larry was nominated and selected for ALL-OHIO rating and was named second most outstanding player in the state in 1956-1957.

Larry's talents do not stop at basketball; he also excels in track and baseball. He is a star pitcher for the Whippets and a high jumper for the track squad.

Girls' Athletic Association

The Girls Athletic Association, composed of 35 members, meets once a week at the high school to enjoy enthusiastic sports such as basketball and volleyball. Since there are many members, the girls organized 6 teams and a schedule this year whereas 4 teams play each Monday night. In order to earn an "S" letter, the girls have to obtain 400 points. Everytime a girl participates in any sport, she earns 5 points. We are sure that every girl after completing a season with the G A A has the trait of a good sportswoman.

The officers are:

President..... Ethel Paulo
Vice President.....Mary Laser
Point Chairman.....Judy McCollough
Secretary-Treasurer..... Barbara Gundrum

Standing: Tom Brown, David Tullis, Larry Siegfried, Joe Bonecutter, Don Yetzer, John Seltzer.

"S" Club

These athletes are the last members of the "old guard", that is, those who have survived the torturous "S" Club initiation. This annual initiation was brought to a halt by school officials when it was learned that this type of hazing is forbidden by state law. The disappointment of not being able to put other members through the ritual is soothed by the fact that these boys really have something to tell their grandchildren. If you want details, ask any of them.
